

AB1.5 / AB3

1.5T Axle Stand

DESCRIPTION

1.5t holding support capacity

Versatile and robust, this adaptable axle stand is suitable for almost any vehicle including passenger cars, trucks, buses, agricultural and contractor's machinery with a 1.5t holding support capacity.

- 1.5t support capacity
- Adjustable height
- Robust construction
- Minimum height 260mm

Boasting adjustability, this unit has up to 5 positions in different heights to accommodate your support needs. With a 1.5t holding support capacity this standard axle stand is made from a robust construction ensuring maximum stability and long life in your workshop.

Ideally suited to support and aid when vehicles are lifted, this unit provides stability and strength to ensure the safety and easy working conditions your commercial business needs to get the job done.
