## 5T Axle Stand

### DESCRIPTION

#### Versatile, robust, and adaptable

This versatile, robust, and adaptable axle stand is suitable for almost any vehicle including passenger cars, trucks, busses, agricultural and contractor's machinery, has the ability to support up to 5t.

- 5t support capacity
- Adjustable height
- Robust construction
- Minimum height 365 mm

Featuring multi-height adjustability, this unit has up to 5 positions to accommodate your holding support needs. With a 5t capacity this standard axle stand is made from a robust construction ensuring maximum stability and a long life in your heavy flow thru workshop.

Ideally suited to support and aid when vehicles are lifted, this unit provides stability and strength to ensure the safety and easy working conditions your commercial business needs to get the job done.
