## 7.5T Axle Stand

### DESCRIPTION

#### 7.5t capacity

The TechLift axle stand is the ideal accessory to complement TechLift's heavy duty column lifts.

It can replace the column lift to support the vehicle after column lift lifts it up, allowing your technicians to perform maintenance work under the vehicle.

With the use of axle stands, one set of column lift can lift several vehicles, highly improving your workshop's efficiency.

- Pin locking mechanism
- Screw adjustment of pad height
