

WJN5 / WJN10

Fold-away Workshop Engine Crane

DESCRIPTION

Save space on the workshop floor

Ideally suited for auto workshops and service vans, this hydraulic workshop crane can lift up to 550kg and then fold down within seconds for quick and easy storage, saving you loads of space on the workshop floor.

- Lift capacity 550kg
- Quick and easy fold down storage
- Jib arm with large lifting capacity

The compact convenience of this quick and efficient fold down and store away crane is second to none for the busy auto workshop or service van. Lifting up to 550kg, the jib arm holds its strength, even in 5th position.

With hard chromium plated piston rod and pump piston ensuring longevity, plus 2 castors and 2 fixed wheels fitted for easy manoeuvrability, even with maximum load, makes this an ideal addition to any business.

The lifting hook has a 360 degree pivot ability and when the crane is folded, it takes up minimum space on the workshop floor or inside the service vehicle. This unit is loaded with safety features including built in safety overload valve and hand operated dead man's release for optimum safety whilst lowering.

Tech Specs	WJN5	WJN10
Capacity	550 kg	1,100 kg
Lifting Height	2,020 – 2,340 mm	2,020 – 2,340 mm
Jib arm	955 – 1,375 mm	955 – 1,375 mm
Frame Height	125 mm	125 mm
Frame Length	1,420 mm	1,420 mm
Height	1,520 mm	1,520 mm
Inner Width	955 mm	985 mm
Frame Width	1,080 mm	1,110 mm
Weight	75 kg	95 kg
